Tech: Thank you for calling Blendtec. May name is Kate, how may I help you today?

Customer: Good morning, my name is Cheryl, and I received a notice about the recall on the Blendtec, and I did try to submit that three or four times and it just, it is not going through, so I wanted to get your advice on what I need to try to do next.

Tech: Okay, so first and foremost this is Blendtec, not BlendJet, so we wouldn't, if you're sending them to Blendtec, nothing would happen, because we don't handle those machines. I can give you a number.

Customer: [UNINTELLIGIBLE] I'm sorry.

Tech: No problem. I can give you a number that I took off their website. That's all I know about it, but it is 844.

Customer: Okay, let me try again. Just one second.

Tech: Okay.

Customer: 844.

Tech: 588.

Customer: 588.

Tech: 1555.

Customer: 1555. Alright.

Tech: I think the internet is giving our number because we're getting a lot of BlendJet calls.

Customer: Oh, okay. That's probably what happened. Thank you so much.

Tech: You're very welcome. Have a great day.

Customer: Thank you. Bye-bye. You too.

Tech: Bye-bye. Thank you.
